

From the Principal's Desk

The school year is off to a great start and here are just a few reminders to parents. First of all, the school will not be open until 7:30 AM unless a student makes prior arrangements to come in early to work with teachers. Breakfast is served daily and available to all students PreK-12. If you wish to have your child eat breakfast, please have them at the school by 7:45 AM as school starts at 8:00 AM. Being on time and ready to learn is crucial for all students. Doors are locked at 8:00 AM, if your child is late, please have them buzz in at the main doors on the west side of the school and sign in.

One area that we are continually striving to improve on is our communication with students, staff, parents, alumni and community members. Please remember that school information such as times and dates are subject to change. We try our best to get word out as quickly as possible when these changes arise. You can stay up to date by receiving messages from our Blackboard messaging system. If you are not on the Blackboard system, please call the school and we can add you to our list.

Parent Teacher Conferences are coming up and they are scheduled for September, 15th from 12:30-6:00 PM. Conferences are a great time to visit with the classroom teachers to help sure your child starts the year off on a great note!

"Callaway Public Schools" Facebook page was created to help with communication and to show the positive things that happen at our school. If you are going to leave comments please only positive comments as negative comments will not be tolerated! If negative comments are made you will be blocked from the site. Search Callaway Public Schools on Facebook if you wish to follow us please like our page. Please remember that if you ever have any questions on times, dates, and locations that you are always welcome to call the school.

In your first day packets, your child should've received information on how to log on to PowerSchool. Grades for students in junior and senior high school can be accessed, please remember that teachers work hard to get grades updated regularly. If you need your username and password please contact the school.

Thank you!

Dear Callaway Students, Staff, Parents, and Community Members,

I want to take a moment to thank everyone for all of your support as we work to provide a high quality education for our students during uncertain times. It was great to get all of our students back in the building and I feel like we are off to a great start.

We were very fortunate to be able to make some needed upgrades to the building over the summer. We have replaced the boiler system. This will allow us to easily and efficiently regulate the temperature of the building during the winter months. Each teacher will also have control over the temperature in their room. Like many of you we are still working on repairing damage from the June hail storm. We will be managing these projects in a way that will have a minimal impact on student learning.

A few reminders as we start the year. The USDA program that provided free breakfast and lunch to all students is no longer in place. Please make sure to check your students lunch account to ensure they have money for meals, also free and reduced lunch forms are available in the office. Please check the district website for the most up to date information regarding school related events. The newsletter is going digital this year, if you would still like to have a copy mailed to you please notify the office.

My favorite day of the year so far has been August 18th. It warmed my heart to see all of our kids and educators interacting and I have cherished every moment I have been able to spend working with our kids and staff. We are going to have an amazing year doing what we do best, making sure our students learn at high levels while having an amazing educational experience.

Sincerely,

Bryon Hanson
Superintendent
Callaway Public Schools

Callaway Public Schools Board of Education August 8th

Committee Reports:
