Chenney has shown a high level of maturity and helpfulness in my Computer Applications class and Personal Finance. I have observed her supporting and encouraging her classmates in and out of the classroom and is always willing to help out. Chenney's integrity and attitude are contagious. Chenney, thanks for all you do!

Mrs. Meyer

From the Principal's Desk

From the Principal's Desk- Just a reminder that we have some very important tests coming up in the near future. These tests include Acadience Dibels (K-6 Reading test), MAPS (K-2) and the NSCAS (Grades 3-8) test. Teachers will be keeping parents informed when these tests will be administered. When your child is taking these tests please encourage them to take their time and to do their best. The night before make sure that they get to bed early and get a good breakfast, whether that is at home or at school. These tests are important for us to monitor individual student performance and growth and for us to analyze the programs and curriculum that we are using at Callaway Public Schools. Therefore, it is extremely important that we work together to help ensure that your child is as prepared as they can be to do their best! We appreciate your support!

Thank you!!

Mrs. Jesseph & Mr. Birkel
