2024-2025 Average Salary	\$54,510.00

Callaway History

The first organizational meeting for a school in Callaway was held on August 1, 1877, in the Deems Opera House. The first school was also the first two-story brick building constructed in Custer County, ready for use in the fall of 1899. A succession of brick and frame buildings housed students through the next century. The first classes in the current school building were held in 1974.
